ABOUT ME

As a CSE graduate, I possess a strong affinity for both programming and networking. With a solid foundation in computer science, I bring enthusiasm for solving complex problems and a passion for optimizing network performance. Although I do not have any industrial experience yet, I am eager to apply my skills to real-world projects. With a willingness to learn, a strong work ethic, and a commitment to excellence, I am confident that I can deliver high-quality work and make a positive impact as a programmer or as a network engineer.
